## W.S.W.S. Holds Regular Meeting

The regular meeting of the W.S.W.S. was held at the home of Mrs. A. Schlerman. The theme for the September meeting, led by Mrs. Wildeman, was "Sent Forth to Serve." The prayer period was directed by Mrs. W. Becker. A reading on Mission Fields of North America was given. A skit, "A Busy Pastor's Day," was presented by Mr. and Mrs. N. Lebsack, Jean Hiltz, Mrs. E. Lebsack, Mrs. D. Schlerman and Rev. Wildemans.

The business meeting, led by the president, Mrs. Budd, followed. It was decided to decorate the church for Thanksgiving with produce and then give this food to a needy family. It was reported that six boxes of used clothing had been taken to the Bethany Home at Wetaskiwin. During the report on the reading course it was suggested that reading course books from previous years be placed in the church library.

Mrs. Grinde led in closing prayer after which the hostess served a lovely lunch.

The next meeting is to be held at the home of Mrs. N. Lebsack.

Jack Eamor who lives in Drayton Valley was unable to attend. Four great-grandchildren were in attendance with about fifty relatives in all from Vulcan, Brant, Blackie, Calgary, High River and Foremost.

Mr. Eamor, who is eighty years of age was presented with numerous gifts. A tiered birthday cake with eighty candles and made by Mrs. Felmer Eamor, graced the festive board. Mr. Eamor was very surprised at the party and gave a very nice thank-you speech.

**Finished Harvest For Douglas.** Neighboring farmers gathered together on Friday to complete the harvesting of the crop of James Douglas who was accidentally killed on September 26.

Those taking part in the operation were Calvin Johnson and his hired man, Clarence Olson; Ted Johnston, Harold Hanson, Jacob Hanson, John Montgomery, Harold Robinson, Walter Meyer, Bob Bateman and Cecil McIlvride, Mac, Murray and Russel Douglas were also on hand to help their neighbors.

There were seven combines and five grain trucks in use and the men harvested 150 acres of wheat and 60 acres of barley to complete this year's crop on the farm.

Mrs. Russel Douglas prepared supper for the crew of men.

"One of the best ways to prevent home fires is to have your home inspected for fire hazards by firemen who are specially trained to look for—and find—potential danger spots."

So declares Fire Chief Lundy Findlay who, in co-operation with the Canadian and International Associations of Fire Chiefs, is sponsoring a nationwide campaign for home inspections as the most effective means of reducing the toll of fire deaths among children.

Canada's per capita fire loss is one of the highest of any country in the world, with one house catching fire every 80 seconds. Most of these, said the chief, are caused by human carelessness.

The convicted "firebug" who, through incendiary means, costs Canada thousands of dollars and lives, has a careless counterpart who unthinkingly tosses away lighted cigarettes and matches, smokes in bed, and doesn't worry about children playing with matches.

But there are five other "firebugs" who start more than 85 per cent of all home fires. There's the dope who doesn't inspect, clean and repair his heating system and chimney at least once a year and thereby causes one out of every four home fires. There's the self-styled "Edison", the electrical wizard who burns down one out of every eight homes. He favors frayed cords for electrical appliances and lights, overloaded circuits, misuses appliances and puts in heavier fuses than the 15-ampere type which blow quickly when overloaded.

Then there are the men—and women—who, between them, manage to start one out of every ten house fires. The kitchen firebug has a greasy stove, leaves unwatched burners to ignite pot-holders and easy burning items piled too near the open flame; her sister is the fool who quickens fire with kerosene—and sometimes grabs a gasoline can by error. She also uses gasoline for dry cleaning and keeps this and other fiery fluids in her home in breakable bottles, leaky can, etc.

With the winter heating season coming on, firemen here and elsewhere can expect the usual rush of "furnace and chimney fires" which originate when a careless husband empties hot ashes and coals into wooden or cardboard containers or dumps them on the basement floor next to wooden walls, old newspapers and rubbish, and thus accounts for one out of every eleven fires.

Local volunteer firemen, working in pairs, are making house to house calls this week to inspect the homes for fire hazards. This is on a voluntary basis, and no inspection will be made unless the occupant so desires.

There is no cost or charge involved and it is hoped that residents

### C.P.R. SCHOLARSHIP WINNERS

Recent results disclosed by G. A. Smyth, superintendent of pension and staff registrar for the Canadian Pacific Railway, show that Walter A. Dutton, left, of Montreal; Thomas J. O'Shea, centre, of Vanguard, Sask., and Joel Clennan, right, of Montreal have won C.P.R. scholarships to attend McGill University. This brings to 102 the number of scholarships awarded by the C.P.R., since they were

inaugurated in 1905. Walter Dutton is the son of Albert Dutton, assistant to engineer of electrical equipment, office of the Chief of Motive Power and Rolling Stock. Thomas O'Shea is the son of Michael John O'Shea, pensioned agent, while Joel Clennan is a junior clerk with the company. The scholarships are open to employees who are under the age of 21 and to minor sons and daughters of company employees.

### Clear Skies Prevail

## Flax Crop Is Last To Be Harvested

It could be Indian summer. Anyway, fine weather has prevailed this week, with clear skies and harvest is rapidly being completed.

Driving around the countryside, it is apparent that flax is about the only crop left to be harvested. It is thought there may be considerable variation in flax yields, depending on the stage of growth at the time of the September frost.

Flax and durum wheat are both on a five-bushel quota at all elevator points in the country. Vulcan has not yet received a quota for hard spring wheat, although a two-bushel quota went into effect at Ensign this week.

### C.W.L. Whist

#### Party Successful

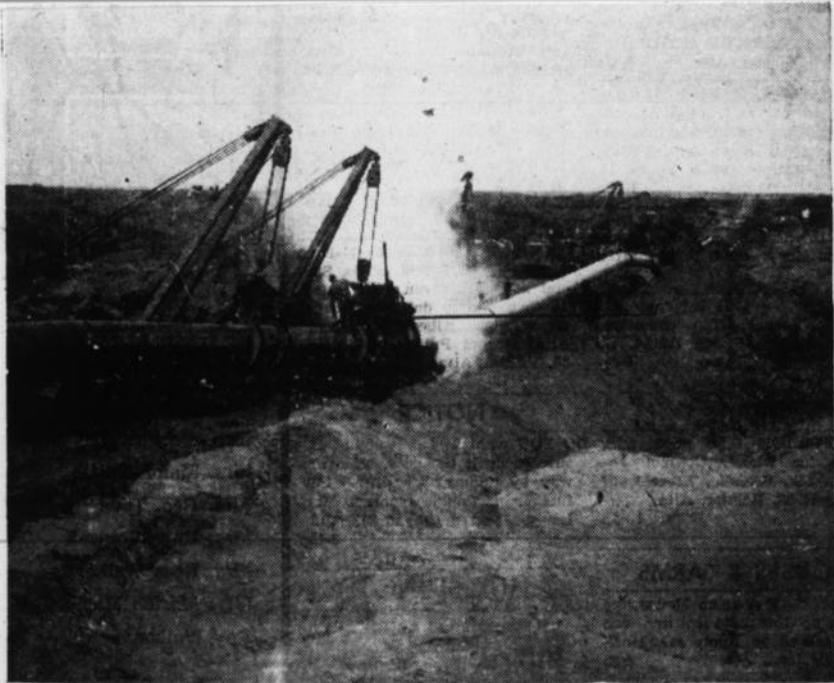

A very successful whist and bridge party was held in the Catholic Church basement on Friday, Sept. 28. The lovely lunch was served by the ladies of the C.W.L.

Father Connelly assisted at the piano during a sing-song.

The draw was made for the C.W.L. raffle. Winners were: Mrs. Frank Hess, won the wrist watch; P. Fath of Champion won the \$25 gift certificate at Gorbous' Furniture Store; and Mrs. I. K. Scobie of Kirkcaldy won the doll and wardrobe.

Ladies' high in whist was won by Mrs. Veda Boutland; men's high was Mr. Gallagher; ladies' high in bridge was Mrs. Connelly and men's high was Dr. Kozl.

The C.W.L. thanks all those who helped make this raffle and whist party a success.

A parade of huge pipe-laying equipment is shown here laying the 34-inch pipe for the Trans-Canada Pipe Lines natural gas line from Burstall, Sask., to Winnipeg, through the Great Sand Hills of western Saskatchewan. In

the foreground, the coating and wrapping machine coats the pipe with anti-corrosive coal tar "dope" and then wraps it with fibre glass and kraft paper. The pipe is then lowered in the ditch and the ditch filled in. The contractor had com-

paratively little trouble working through the well-packed fine-grain sand and Trans-Canada plans to reseed the right-of-way in the sand hills with native grass and possibly wheat to build up a mat which will prevent erosion through wind action.

## Annual School Track Meet At Carmangay

(By Carmangay Correspondent)

The annual school track meet was held at Carmangay on October 5, when pupils from Brant, Champion, Carmangay and Vulcan competed in 66 events.

The shield was won by Vulcan with a percentage of 148.6, with Champion having 141.9, Carmangay 96.3 and Brant 18.7.

The boys' trophy was won by Ralph Gardner and the girls by Delores Doane, each scoring 23 points. Both are from Vulcan.

Those who won crests for the highest points in their class were: Class A, Richard Siler, Champion; and Lola Mix, Vulcan; Class B, Jim Rhodes, Champion and Delores Doane, Vulcan; Class C, Terry Rhodes and Vonda Fisher, Champion; Class D, Roy Bjornson, Champion and Leona Laczko, Carmangay; Class E, Errol Smith, Carmangay and Lana Parker, Brant; Class F, Ralph Gardner, Vulcan and Jean Schneider and Marilyn Smith, both of Champion, tied.

A good crowd watched the events, one of which was a record high jump by Dick Strauss of Champion who cleared the bar at five feet, 2 inches, for Class E boys.

Irvin Hughes of Vulcan, in the same class set another record with a hop, step and jump mark of 31 feet, 3 inches.

The Students' Union had a refreshment stand in the school which was well patronized during the day.

### Cub Apple Day Sat., Oct. 25

The first meeting of the Thursday and Friday night Cubs were held on Oct. 4, and 5, with good attendance. There were six new Cubs enrolled in the Thursday Night Pack. Anyone with boys who have turned eight or will in the next month and wish to have them attend Cubs, are welcome to bring them to the next regular meetings. The town Cubs on Thursday night and the Country Cubs on Friday night. Both meetings start at 7 p.m.

The Group Committee of the Vulcan Scout Association met on Friday, Oct. 5. It was decided that the Cubs annual Apple Day, would be held on Saturday, Oct. 20. The Cubs ask for the support of all country and town people in this project. All money made on this drive will be turned over to the Group Committee for general expenses.

### Local Items

Mrs. H. A. LaRoche spent Sunday and Monday in Calgary, where she visited with her son, Jerry and Miss Norma McLeod, and with Mr. and Mrs. Merv. McIntyre.

Miss Beth Lindsay and Hugh spent the weekend with their parents in Calgary.

Mr. and Mrs. Hank Rutheg and son, Gerald, journeyed to Calgary, Tuesday evening, where Gerald underwent surgery on his leg at the Red Cross hospital Wednesday. The young lad was stricken with polio some three years ago and his operation was to help overcome the effects of his illness.

Sunday guests at the home of Mr. and Mrs. Boyd McKay on Sunday were Mrs. J. Syer of Toronto, Ont., Mrs. Jim Douglas, Blackie and Mr. and Mrs. J. Douglas of Calgary.

Mrs. O. A. Craig has returned from a three-week visit to the home of her son and daughter-in-law, Mr. and Mrs. Bob Craig at New Westminster, B.C. She reports the recent arrival of twin daughters, Penny and Susan, to Bob and his wife.

Miss Betty Hollister, who is studying music at the Conservatory of Mount Royal College, Calgary, spent the Thanksgiving weekend at the home of her parents, Mr. and Mrs. Calvin Hollister.

Mrs. W. L. Giles of Corraland is in Vulcan hospital taking treatments.

### FWUA Meeting Hears Reports

The regular meeting of the Berrywater F.W.U.A., was held at the home of Mrs. Doug. Smith Wednesday, Oct. 3, with 13 members and one visitor present.

News flashes from Headquarters consisted of a letter from Mrs. Olive Douglass, provincial vice-president, who sent greetings from various leaders of the farm movement in Ontario, whom she had met on a recent trip there.

A report was given by Mrs. Bob Gerding of the Ways and Means Committee, and it was decided to serve dinner to the Southern Alberta Municipal Association conference, to be held in Vulcan October 23.

A letter from the director, Mrs. Margaret House, regarding the FWUA rally to be held at Arrowwood Oct. 24 was read and discussed. Mrs. Leonard Jones was appointed to contact members who could possibly attend the rally.

Mrs. Frank Love volunteered to study a number of resolutions that are to be presented at the provincial convention in December, and a report at the next meeting.

A most interesting demonstration on "Complete Oven Meals," presented by Miss Patricia Seldon, District Home Economist, was much appreciated and the ladies enjoyed taking samples of this cookery along with the delicious lunch served by the hostess.

Reptilian  
DOG-TAGS

We are often amazed how aluminum gets around to unusual places. Who would think of looking for aluminum in the stomach of a Zululand crocodile?

It seems when this croc was emptied, no less than 32 aluminum dog licenses were found in its stomach, which suggests that Zululand crocodiles are mighty careless. But it proves that aluminum is immune even to the formidable digestive juices in this reptile's insides.

Industry capitalizes on this resistant quality of aluminum when industrial fumes and other corrosive conditions present a problem: one of several reasons why this modern metal is in such heavy demand—and why Alcan is again increasing its already large smelting capacity.

ALUMINUM COMPANY OF CANADA, LTD. (ALCAN)

Arrowwood in the track meet.

Each school was assigned a point quota based on enrolments. The point quotas were as follows: Herronton, 50; Arrowwood, 135, and Mossleigh, 154. In the events Herronton won 36 points or 72 percent of its quota; Arrowwood won 190 points, which is 141 percent of its quota, and Mossleigh won 218 points or 142 percent of its quota. The winning school was the one which exceeded its point quota by the greatest percentage. Thus Mossleigh school wins by exceeding its point quota by one percent more than Arrowwood exceeded its quota.

Crests will be awarded to the contestants who received the highest total points in each group. The winners of the crests are as follows: Boys 7 and under, Bobby Green, Mossleigh; girls 7 and under, Maria Van Bussell, Herronton; boys 8 and 9, Leonard Robinson, Mossleigh; girls 8 and 9, Donna Williams, Arrowwood; boys 10 and 11, John Robinson, Mossleigh; girls 10 and 11, Hazel Bodell, Mossleigh; boys 12 and 13, Marvin Despas and Lloyd Groeneveld (tied both from Mossleigh); girls 12 and 13, Clair Craig, Arrowwood; boys 14 and 15, Dale Wyatt, Arrowwood; girls 14 and 15, Frances Androssoff, Arrowwood; boys 16 and over, Beuford Culp, Arrowwood; and girls 16 and over, Grace McDaniel, Arrowwood.

The Mossleigh Blind-Creek Women's Association held their October meeting in the church on Wednesday afternoon with a fair attendance. Roll call was answered with a donation of fruit or vegetable for the Junior Red Cross Hospital. A clean-up day for the church was set for Wednesday, Oct. 24. The fowl supper scheduled for Nov. 2, was discussed and the executive will make out lists. After the meeting, Mrs. Downs and Mrs. Elliott served lunch.

The W.A. held a successful home bake sale on Friday afternoon. Mrs. Devolin was in charge and all the goods were sold early. The Mossleigh district experienced a number of minor accidents last week: Al Malmberg had his combine burn up while combining for G. Mace, fortunately nobody was hurt. Sonny Scott was repairing his combine when the table dropped, pinning him underneath and injuring his leg. Geo. Christie was repairing a bin, when one wall fell down, almost knocking him down, it was only by quick action that he was able to get out the door and received painful injuries to his hips.

Mossleigh was the scene of a very successful track meet on Friday. Pupils from the Herronton, Arrowwood and Mossleigh schools took part. The Mossleigh Students' Union served coffee, hot dogs, pop and pie throughout the day.

### MILO

The Home and School Executive met on Wednesday, Oct. 3, at the school. Convenors of the various committees are as follows: Program, Dorothy Moore; publicity, Lucille Thorstenson; publications, Gladys Rushfeldt; membership, Lil Peterson; social, Gladys Phillips; finance, Phyllis Gore.

It has been decided to hold the executive meetings on the first Wednesday of every month. The regular Home and School meetings will be on the second Wednesday.

The track meet was held at the Lake MacGregor Memorial Park on October 5, with three schools competing. Students from Armada, Lomond and Milo competed for class championships. Winners of the crests in each class were as follows: Class "A" girls, Sheila Lucas, Armada; Class "A" boys, Teddy Dietrich, Lomond; Class B girls, Carol Kiahka, Milo; Class B boys, Gary Fernley, Milo; Class C girls, Sylvia Kirby, Milo; Class "C" Boys, Larry Zaytsoff, Milo; Class "D" girls, Sheila McCord, Milo; Class "D" boys, Dale Brown, Milo; Class "E" girls, Bonnie Beckner, Milo; Class "E" boys, Dick McCord, Milo; Class "F" girls, Neola Crabb, Milo; Class "F" boys, Fred Zaytsoff, Milo.

Final records showed Sheila McCord and Dale Brown of Milo tied for total points and eligible for the trophy. Both names will be engraved on the cup.

The Milo-Queenstown Lions Club held their annual turkey shoot at the Liberty school on October 7. A good attendance was in evidence and the shoot went off with a "bang".

The annual masquerade dance will be held on October 26. It will be sponsored by the Rebekah Lodge.

The United Church ladies are collecting Betty Crocker box tops for cash values. Anyone wishing to contribute same are asked to leave them at either Thomson's or

## SYLVAPLY PLYWOOD

### answer home storage space problems

easily... quickly... handsomely... economically!

Your lumber dealer has these plans... has many more... and they're free for you! Come in and get as many as you want. Find out how you can make these units in your spare time. Yes, with simple woodworking tools you can create storage space wherever you need it with self-framing Sylvaply in 1/2" or 3/4" thicknesses. You can create extra

living space in attic and basement too, or panel over old walls to give your home new beauty, with 1/4" Sylvaply plain or decorative plywoods. If you prefer to have it done for you, you save too, because Sylvaply is the choice of professional builders, used in thousands of ways from roof sheathing and subflooring to cupboards and cabinets. And wherever it is in use it adds strength and beauty, adds long life, utility, and value.

**ATTICS & BASEMENTS:** so much valuable space going to waste! Convert them into playrooms, workrooms, bedrooms... do it in your spare time with Sylvaply! Free folder shows how quickly the 4'x8' Sylvaply panels cover a lot of area, go up with a minimum of effort, are easy to erect by any homeowner. And when your project is done, you'll be surprised at the amount of added value you have given your home!

**WALL TO WALL VANITY:** just what your bedroom needs! Even has fold-away makeup table, is easier to make than you think. A vanity like this answers your where-to-store-it problem, from undies to bed linens. Even the drawer design, so often the bugaboo of do-it-yourselfers, has been simplified. See your lumber dealer for the free plan... and proudly present this vanity to your wife!

**BUNK BEDS:** just what youngsters want, has a built-in storage cabinet for toys, clothes, bed linens. Strong, handsome, will serve from the early years 'til way in their teens. Needs no springs, is assembled with ordinary butt joint construction. Actually, if you can handle a hammer and saw, you can make this long-life bunk bed in your spare time.

**SHELVES & CUPBOARDS:** every room can use them, any amateur can make them! Free plan is a-b-c easy to follow; all you need are simple woodworking tools and Sylvaply. And what a pleasure to use this handsome plywood! Saws easily, can be finished or painted in dozens of ways. Think of the uses you have for cabinets and shelving like this!

**DINING-LIVING ROOM DIVIDER:** creates two rooms where there was one, creates extra storage space as well. And how simple to make! Basic tools and Peter Whittall's easy-to-follow instructions are all you need. Plus, of course, Sylvaply from your lumber dealer. He has this free plan for you. Be sure to see it, read it, start this unit right away!

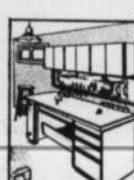

**MODERN KITCHEN CABINETS:** or a brand new kitchen, the Sylvaply kitchen cabinet booklet answers your kitchen storage and remodeling problems! Now you can have cupboards for canned goods, shelves for appliances, cabinets for pots and pans... room for everything! It's a booklet that will save you many dollars... and it's absolutely free! Be sure to get your copy at your lumber dealer's.

**BEDROOM STORAGE WALL:** solves clothing storage problems from suits to socks! Designed for easy building with 4'x8' Sylvaply panels, can be built to any size in any bedroom. Has a "his" and "hers" section, costs about one-third the retail price to make! Average skill with ordinary woodworking tools, and the free plan can create this unit for any family. Start on it this weekend!

**LIVING ROOM ENTRY DIVIDER:** a boon for the home without an entrance hall! Gives your living room new dimension, gives you storage space for books, records, glassware on one side... has a closet on the hall side, and uses only a 12" strip of floor space! Be sure to see your lumber dealer for a free plan... this home improvement project is a beauty!

**WORK BENCH WITH CABINETS:** the do-it-yourselfer's basic need. Has storage space for everything: tools, nails, screws... and best of all, is sturdy, strong, easy to make. So well designed, you'll want to paint it and make it a recreation room feature! Free Sylvaply plan shows you precisely how to go about making this essential unit.

**FLOOR CABINETS:** for dining room, den, everywhere you need counter height storage space. Beauty of building them with Sylvaply is the simplicity of construction... and the free plan tells precisely what to do. Peter Whittall, Canada's Mr. Do-it-yourself prepared the plan, so you know they're easy to make!

### AVERAGE COST of ELECTRIC POWER TO PRAIRIE FARMERS Is Today, Less Than One-Third What It Was In 1935-39 This Didn't "Just Happen"

#### On The Other Hand..

The latest Dominion Bureau of Statistics index number of commodities and services used by prairie farmers means that the \$1.40 initial payment for No. 1 Northern wheat at Fort William is worth only 63 3/4 cents in 1935-39 dollars. At the average country elevator point it is worth approximately 55 cents a bushel on the same basis.

\*Farmer's Cost of Production ..... 1935-39 ..... 1956  
In other words, it now costs prairie farmers \$2.19 to buy what \$1.00 would buy in 1935-39.

\*Dominion Bureau of Statistics Index Numbers of Commodities and Services Used by prairie farmers.

Alberta's Electric Utility Companies are proud of the fact that, on the average electric service today costs the Alberta farmer less than one-third of the cost in 1935-39. This didn't "just happen"! It took planning, efficiency and co-operation from the farmers.

## BRANT NEWS

The Ladies Aid met Thursday afternoon Oct. 4 in the church hall with ten members and Rev. McKelvey present. Mrs. Steve Dixon presided. The devotional was given by Mrs. Jack Thompson. During the business session it was decided to hold the annual bazaar and tea on Tuesday afternoon, Nov. 6th. The following committees were formed: Mrs. Henry Bateman and Mrs. Steve Dixon in charge of sewing, Mrs. Jack Thompson and Mrs. Alf Lawson serving, Mrs. Mickey McKay and Mrs. Gordon Thompson at the tea tables, Mrs. Ed Auld in charge of the surprise box table, Mrs. Wm. Burley, publicity, and Mrs. Ed Pearson, cashier.

Mrs. Wm. Burley, sec.-treas., was asked to write the literature secretary of the Nanton W.A. for devotional books. On Thursday, Oct. 18, at 1:30 p.m., the Ladies Aid will gather to give the church and hall a general fall cleaning.

The report on the market basket returns was \$82.25, which was donated to the church board. The secretary reported receiving the official receipt for \$336 from the Cancer Society.

A lovely lunch was served at the close of the meeting by Mrs. Ed Auld and Mrs. Jack Thompson.

A number of students from the Brant school went by car and bus to attend the track meet held at Carmangay on Friday.

Many of the farmers are finished harvesting. Just the odd field of flax left.

Mrs. Keith McBrien started this week as clerk in Burley's store.

Mrs. Jensen and son, Bill, motored on Monday to visit Mrs. Jensen's daughter, Mrs. Lawrence Bradley and family at Fort Macleod.

Bill Jensen left on Tuesday by car for where he is stationed with the R.C.A.F., after spending a month's holiday visiting with his parents and relatives.

Charlotte Pearson from Bon Accord accompanied her grandparents, Mr. and Mrs. Jensen and Mr. and Mrs. Pearson, home Sunday from Bon Accord, where they were visiting for the weekend.

Miss Wilma Burley from Carmangay was home for the long weekend.

Fred Burley and Ken Hamilton from Composite High, Red Deer, motored home for the long weekend to visit their respective parents.

Connie Green, month-old-twin, who has been under the doctor's observation in High River hospital for the past week, was brought home on Friday.

Mr. and Mrs. Jerry Ferguson and family motored to Kathryn on Sunday to visit the former's sister, Mrs. Saunders and family.

Mr. Todd of Vulcan will take over the position as principal of Brant School, starting Monday. The position was recently vacated by Paul Nelson, who has resigned due to poor health.

Misses Janet Graham and Sharon Auld from Composite High, Red Deer, were home to visit their respective homes for the long weekend.

## Pull Up Those Sagging Profits

from your STUBBLE CROPS by applying the Southern Alberta proven nitrogen fertilizer, NITRAGRO-82, this fall.

REMEMBER, it costs just as much to cultivate, seed and harvest a 15-bushel crop as it does a 30-bushel crop.

Extra bushels mean higher profits. Get those EXTRA BUSHELS at little additional cost by applying NITRAGRO-82 this fall. Yes, THIS FALL cultivate and fertilize in one operation. NITRAGRO-82 is the ONLY fertilizer that chemically combines with the soil so there is absolutely no loss over winter.

Nitragro-82 Fertilized .....	33 bus. acre
NOT Fertilized .....	14 bus. acre
<b>YIELD INCREASE .....</b>	<b>19 bus. acre</b>

IT IS A FACT that stubbled-in crops invariably yield less than summerfallow crops even when moisture is ample. The main reason is a shortage of nitrogen, so apply this plant food easily and economically this fall with the proven fertilizer, NITRAGRO-82.

## SYMBOLIC OF 50 YEARS OF PROGRESS

The Handclasp of Thanks — to those first, foresighted farmers of 50 years ago who, with courage and resourcefulness, founded Western Canada's first co-operative, United Grain Growers Limited.

The Handclasp of Appreciation — to the many thousands of grain growers of Western Canada who, by their unfailing loyalty and support, gave the organization its vigorous and healthy growth.

The Handclasp of Friendship — to today's farmer-members of this successful co-operative enterprise whose continued patronage assures the U.G.G. of future achievements matched only by its outstanding record of the past.

To All — in 1956 as in 1906 — let the handclasp symbolize the guiding principle of United Grain Growers; the ever constant belief that... "In Union is Strength".

## YOU ARE ASKED TO OBSERVE FIRE PREVENTION WEEK OCTOBER 7 to 13 AND EVERY DAY THEREAFTER

The carelessness and indifference of people is the cause of fires in the home, place of work and in our forests. The many deaths resulting from fires can be attributed to this neglect. "DON'T GIVE FIRES A PLACE TO START" is good advice and a habit to acquire. Your Fire Department is conscientious in their endeavor to hold depreidatory fires in abeyance through inspection service, but they can't do it alone. THEY NEED YOUR HELP to prevent fires!

- A careless smoker is a menace.
- Faulty electric wiring and overloaded circuits are dangerous.
- Fires are caused by defective chimneys, furnaces, pipes and cooking equipment.
- Spontaneous ignition can be caused by oily rags, paint and rubbish.
- The careless use of kerosene and other inflammable liquids can result in death.
- Leaving children within reach of matches and electric and gas switches can have serious consequences.
- Put your campfire out and don't light brush without proper care.

Use your common sense, KNOW AND ACT ON THESE THINGS.

Fire is not a chance occurrence, but a bad error!

### QUEENSTOWN

Mrs. Anne Long is at Hussar, assisting her sister while Amy is under medical care.

Many friends of Shirley Gooch gathered at the Community Hall on Wednesday evening, when they presented Shirley with many bridal gifts and wished her health and happiness in her married life.

First carload of rape to be shipped out of the Milo-Queens-town district was shipped from The Alberta Pacific Co., of Queens-town last Thursday. Cam Robertson and Jack Bushell were the only farmers in the district who grew rape this year. Yields were very satisfactory.

Mrs. Floyd Hughes and family are visiting at the home of Mr. and Mrs. Wm. Gooch. Floyd has been transferred to Medicine Hat. Genevieve and family are visiting while Floyd is locating a home.

The locker plant has their sausage casing machine in working order. Mr. Conklin soon hopes to

start curing meat also.

The Women's Institute held their October meeting at the home of Mrs. Norman Truman. As Margaret Patricia Monner and Lela Mae Durstoh tied for the \$25 Grade IX scholarship for Milo school. It was decided to give two scholarships of \$25, each to the girls. Presentation to be made at the Home and School meeting.

It was also voted to send Mrs. Art Cramar (nee Barbara Hutcheson) a wedding gift together with the good wishes of Queens-town community. Barbara was married in early September and now lives at Clinton, Ont.

Mrs. Elder left High River by bus Friday morning for Toronto. She plans to be away till late November.

Now that harvesting is nearly completed, show time has been changed to 8 p.m., for the winter months.

Larry and Fred Zaytsoff both won crests at the school track meet. Dale Brown won a crest for his group and also tied with Sheila McCord of Milo for the cup. Both names will be put on the cup. Fortunately they both belong to the same school.

Few of the Thanksgiving visitors were Mr. and Mrs. Spence's son and family from Calgary, Mrs. Conklin's sister and husband, Lorna Nelson, Faye and Maureen Robertson and Marilyn Laid.

Mrs. Jimmy Brown is in Vulcan hospital. Everyone wishes you a speedy recovery Mrs. Brown.

Mr. and Mrs. Edwards spent the Thanksgiving holiday at Parkland with their daughter and family, Mr. and Mrs. Dawson.

The Milo-Queens-town Legion held its October meeting on the fourth. It was decided to have a turkey shoot at Liberty School on November 4. The Armistice dance will be held at Queenstown this year on November 9. Memorial service will be held on November 12.

Dick Hunter is down doing a bit of shooting as well as many other hunters.

Mr. and Mrs. McCord and family went to Calgary last weekend to take Leonard to an eye specialist. They visited Mr. and Mrs. Tom Sevens and family before returning home.

### W.I. Meeting

The October meeting of the Queens-town W.I. was held at the home of Mrs. N. Truman. Six members answered the roll call with a jar of jams, jellies, or pickles to be auctioned, but owing to the small attendance this will be done at the next meeting which will be held at the home of Mrs. J. Bushell.

Two \$25 scholarships will be given to Lella May Durston and Margaret Monner, who tied in their Grade IX examinations.

A very interesting article called "Letting Nature Help" was read by Mrs. N. Truman.

The hostesses, Mrs. T. Daw and Mrs. C. Kingmith, served a lovely lunch at the close of the meeting.

### Announce New Way To Shrink Painful Hemorrhoids

Science Finds Healing Substance That Relieves Pain—Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain. Thousands have been relieved—without resort to surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were so thorough that sufferers made astonishing statements like "Files have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne)—discovery of a famous scientific institute.

Now you can get this new healing substance in suppository or ointment form called Preparation H. Ask for it at all drug stores. Satisfaction guaranteed or money refunded.

## Carmangay

Recent visitors at the home of Mr. and Mrs. Alec McMillan were Mr. and Mrs. L. Castelli of Calgary; Mr. and Mrs. J. Beverage, and Mr. and Mrs. Con Legger of Saskatoon, and Mr. and Mrs. Jack Hood of Foremost.

Mr. and Mrs. Walter Neilson attended the meeting on Thursday evening in Lethbridge of Bishop DeMel of Ceylon.

Roy Craig was a patient in the local hospital last week.

The Carmangay high school Students' Union held their annual initiation program and dance recently. The grade nine students were oddly dressed and during the evening had many strange experiences. The dance concluded the evening.

The Carmangay Junior and Senior Students' Union held a magazine campaign and did very well. They wish to thank all those who aided in the campaign. Names

of the students who sold subscriptions were placed in a box and a draw was made. The lucky student was Brian Hubka who received a travelling alarm clock.

Donald West is resuming his studies at the Institute of Technology.

Wilfred West has gone to Calgary to attend the Institute of Technology.

Edward West is attending the Calgary University faculty of Education this year.

#### L.A.S. Meeting

The regular meeting of the Ladies' Altar Society was held at the home of Mrs. Betty Kryzanowski, with Mrs. Marion West as co-hostess. Father Lebel led the ladies in prayer.

Minutes of the meeting were read and adopted.

Plans were made to have the

annual harvest hamper.

The raffle was won by Miss Huber, visiting lady.

A lovely lunch was served by the hostess.

Archie McAlpine has left for Toronto to take up residence. Mrs. McAlpine left earlier.

Mr. and Mrs. Paul Irwin of Kelowna, B.C., have been visiting friends in the district.

Rev. and Mrs. Alder of Manitoba, were guests at the home of Mr. and Mrs. Hakon Anderson last week.

Miss Ada Anderson, daughter of Mr. and Mrs. Hakon Anderson, has left for the dental school in Chicago, where she will complete her training and attend graduation exercises as dental assistant.

#### C.G.I.T. Meeting

The C.G.I.T. started their regular meeting October 3, with the election of officers: President, Beverly Burns (senior); vice-president, Carol Shearer; secretary, Glenda Moore; treasurer, Carol McGinnis; assistant-treasurer, Janette Anderson; press representative, Norma Lyckman.

Glenda Moore gave a report on "How C.G.I.T. Began", for the new members.

Norma Lyckman gave a report on the Chevrolet requirements.

Myrna Clarke gave a report on "How Our Uniform Should Be Worn."

Pat Nugent led in worship.

#### Mrs. McVinnie

Mrs. Elizabeth McVinnie, a resident of Carmangay from 1906 to 1948, died at her home at Sidney, B.C., at the age of 84.

Mrs. McVinnie was born in Wales. She came to the United States and married Robert McVinnie in North Dakota, in 1905. The following year the couple moved to Carmangay and settled on a farm. In 1948 they retired to Sidney, B.C.

Survivors include her husband; sons, Harvey, Gordon and Malcolm, all at Carmangay; a brother in Wales; four grandchildren, and one great grandchild.

Funeral services were held on Saturday in Martin Brothers Chapel in Lethbridge and burial was in the Bowville Cemetery at Carmangay. Rev. Dr. H. A. Frame officiated.

Friends from Carmangay and Parons gathered at the United Church here to pay their last respects to a pioneer of the district, John Trevor (Tom) Gostick, on Oct. 2, with the Reverend Peter Dawson conducting the service.

Mr. Gostick was born in Mysore, India in 1875, the son of a Methodist missionary. He attended school in England until 1889 when he was apprenticed to the sea. He sailed from Liverpool aboard the Cymantia, a sailing vessel. He served before the mast for three years, leaving the ship in Australia. In 1893 he was a member of the first camel train travelling into central Australia.

He came to Palo Alto, California in 1904 and in the same year came to this area to take up a homestead in the Bowville community. He retired and bought a home in Carmangay in 1930. He was a man devoted to God and his country. His family records trace back to the year 1266, at which time they were known as De Gostick. They originally came from Brittany, France, possibly at the time of William the Conqueror in 1066.

He is survived by one sister, Miss Edith Gostick, R.N., and one brother, the Reverend Gerald F. Gostick, retired Methodist minister, both living in Yorkshire, England. The retirement of the Rev. Gerald Gostick four years ago concluded 150 years continuous service to the Methodist Church by the Gostick family.

During the service the congregation sang the hymns, "What a Friend We Have in Jesus" and "Abide With Me" and the choir sang a special hymn, "Sweet Hour of Prayer."

Palbearers were friends from the districts where he had spent so many years, John Fremstad, J. E. Taylor, D. H. Russell, James Lee, John A. Hubka and Art Stafford.

Interment was in the Carmangay cemetery with Martin Bros. as funeral directors.

### INFESTATION IN STORED GRAIN

During the past few years, farmers have been forced to use many types of temporary storage which, from the standpoint of possible insect infestation, are often far from satisfactory. Certain precautions can be taken, however, which will reduce possible infestation to a minimum. These include the thorough cleaning out of all storage premises, provision for adequate ventilation, care to see that tough and damp areas are not likely to develop because of leaking walls or roofs, and lastly the storing of the grain in as dry and as clean a condition as possible.
